3 REPORTING AND DISSEMINATION

Successful applicants are required to complete a short report including evaluation questions, for submission no later than two months after the end of the project.

The following aspects should be considered in the report:

- Number of students and teachers from each participating university
- Reflection on the activity: strengths and difficulties of the pedagogical design, co-operation between universities and teaching partners, results of the students' evaluation.
- Recommendations for future activities.
- Impact on the applicant's teaching practices.
- Comment on the potential for scalability and transferability of the activity to other disciplines/areas of the faculty/university.
- Teachers' evaluation of the programme

Additionally, choose at least one of the following options for dissemination of your experiences and learnings from the activity

- Interview with a member of my university's Centre for Teaching and Learning (about 30 minutes)
- Presentation of the activity in the frame of a UNIC event
- Social media post related to the activity, which can be published on UNIC channels
- Other, please specify:

Please acknowledge UNIC support and EU funding in any dissemination. Include the UNIC logo and EU funding logo if feasible.
